

Entering Time and Expense records in Time Matters / Billing Matters

Select a Matter

Open the Matter List using the Matters icon in the toolbar.

Scroll with the mouse to your Matter. Or, with the keyboard, press the first letter(s) of the Matter name, then click the Matter.

Add a Billing Record

See that the Matter, Matter No., Client and Bill Date are all completed. The Rate and Amount will automatically fill in after filling the fields marked below

To start, click the **Add Billing** button.

1. Click the drop-down to choose a **Time Code**. (For Expenses, click on "Time Code" to change the button.)
2. Choose a **Phase** if it is required. (Greyed out if not required.)
3. Choose a **Staff** - the timekeeper.
4. Type the **Description**.
5. Enter the **Hours** in tenths of hours, e.g. 1.5 or .2
6. Press **Save & Close**

The screenshot shows the 'Billing Item Form - Add' window. The 'Add Billing' button in the top toolbar is highlighted with an orange circle and labeled 'Click'. Numbered arrows (1-6) point to the following fields:

- 1. Time Code dropdown
- 2. Phase dropdown
- 3. Staff dropdown
- 4. Description text area
- 5. Total Dur (0.00 Hours)
- 6. Save & Close button
